According to Ruedy, the No Money Down, 100% LTV

purchase product has been a huge success since its launch. This option has opened doors for many homebuyers who were previously unable to afford a down payment. With this product, homebuyers can now purchase their dream home without having to worry about saving up for a down payment, making the home buying process more accessible and affordable.

Ruedy also believes that now is a great time to buy a home in Denver, despite the high interest rates. He explains that the current market conditions in the Denver area, with decreasing home values, make it an ideal time for homebuyers to take advantage of this product and invest in their future. With the No Money Down, 100% LTV purchase option, homebuyers can secure their

dream home at a lower cost, making it a smart financial decision.

The Home Loan Arranger is committed to providing innovative and affordable solutions for homebuyers in Denver, Colorado. With the success of the No Money Down, 100% LTV purchase product, the company continues to demonstrate their dedication to helping individuals and families achieve their dream of homeownership.
