

Haitian Creole Voice-Over and Video Subtitles Services Help Companies Communicate with Haitian Viewers & Customers

HERNANDARIAS, PARAGUAY, July 1, 2024 /EINPresswire.com/ -- Your-Haitian-Translator is excited to announce the launch of its new [Haitian Creole voice-over](#) and video subtitles services, aimed at enhancing communication for companies targeting Haitian audiences. As part of this launch, the company is offering a special promotion: up to 200 words translated and recorded in Haitian Creole for free.

According to Your-Haitian-Translator, despite the increasing reliance on text-to-speech technologies, no effective [Haitian Creole text-to-speech](#) tool currently exists. Those that do tend to sound unnatural and robotic and even major companies like Google have struggled, discontinuing their Haitian Creole text-to-speech services for years. Creating a competitive Haitian Creole text-to-speech tool requires significant resources and expertise that many new companies may lack. This is where the authentic voice of Swans Paul, a native Haitian speaker, becomes invaluable.

“

As a Haitian Creole Voice-over talent, I will record up to 200 words for you in Haitian Creole whether it's for personal or business use.”
