

BKG Medical Supplies Signs Exclusive Distribution Agreement With NEST Biotechnology Co. LTD

BKG Medical Supplies Signs Exclusive Distribution Agreement With NEST Biotechnology Co. LTD for its Re-Usable Injector Pens for GLP1's and 503B manufacturing

PALM BEACH, FLORIDA, USA, July 1, 2024 /EINPresswire.com/ -- BKG Medical Supplies with NEST Biotechnology Co. LTD in Exclusive Distribution Partnership for the USA, Canada and Mexico markets is proud to announce the New FDA 510K approval of its Reusable Injector Pen with a compatible 3ml cartridge. For use with GLP-1, Insulin and Narcotic Antidote Drugs just to name a few. These injector pens will be primarily utilized to help ease the current GLP-1 drug shortages, Support 503B outsource manufacturing and help lower overall healthcare costs and ultimately improve patient outcomes, especially by making them available to lower income areas where lower cost solutions are desperately needed.

BKG CEO: Bryanna Grelle

Our mission at BKG Medical Supplies is to bring cutting edge medical product solutions to the market that help reduce the costs of over inflated drug prices. Support 503B outsourcing manufacturing facilities and drug manufacture's to help combat the ongoing drug shortages that plague the medical industry. We are proud to be in partnership with Nest Biotechnology to distribute this product to our long list of legacy clients

in USA, Canada and Mexico.

NEST CEO: Yangweidong

We are excited to announce our Exclusive Distribution Partnership with BKG Medical Supplies for the USA, Canada and Mexico markets for our newly approved Reusable Pen Injector compatible with 3ml cartridge. For use with GLP-1, Insulin and Narcotic Antidote drugs. BKG Medical Supplies lobbying strength was a critical component in the FDA 510K approval process and helped us accomplish this in a timely manner and we are proud to be in partnership with BKG to help ease the drug shortages by supplying a Pen with a cartridge that can be replaced thus lowering the cost basis of drugs that are currently on short supply and/or highly overpriced.

FDA 510(K) Number of NEST Reusable Pen Injector : K240774
