

Zhengzhou Longhu by Fei Hu Wins Silver in A' Interior Design Awards

Fei Hu's Innovative Conference Center Design Recognized for Excellence by Prestigious International Jury

COMO, CO, ITALY, July 1, 2024

/EINPresswire.com/ -- The A' [Design Award](#), a highly prestigious and well-recognized award in the field of [interior design](#), has announced [Fei Hu](#) as a winner in the Interior Space and Exhibition Design category for the exceptional work "Zhengzhou Longhu". This conference center design was selected by an expert jury panel for its outstanding creativity, functionality, and cultural relevance.

Zhengzhou Longhu's recognition in the A' Interior Space, Retail and Exhibition Design Award highlights its significance not only for Fei Hu but for the entire

interior design industry. The design showcases innovative solutions and aligns with current trends, serving as an inspiration for designers and setting new standards for conference center spaces. Its unique features offer practical benefits for users and stakeholders alike.

Drawing inspiration from Chinese culture and the mythical phoenix, Fei Hu skillfully incorporates traditional elements with modern Zen design techniques. The result is a stunning conference center that boasts an elegant and internationally appealing aesthetic while expressing distinctive Chinese cultural characteristics. The dynamic white curved lines spanning the interconnected atrium spaces create a sense of movement and grace, evoking the phoenix's majestic posture.

This prestigious recognition from the A' Interior Space, Retail and Exhibition Design Award is expected to have a profound impact on Fei Hu's future projects. It serves as a testament to their design excellence and innovation, motivating the team to continue pushing boundaries and

exploring new creative avenues. Zhengzhou Longhu is poised to become a benchmark for conference center design, influencing industry trends and practices.
