attorneys' arguments that there was no evidence to support the charges. In June 2023, the Broome County District Attorney's Office under Michael Korchak initiated an appeal that was deemed meritless by the court, seeking to overturn the Court's decision to dismiss the case. On April 1, 2024, the Appellate Division ended that appeal, finally terminating what we consider to be the unjust prosecution of Leor Kweller; an innocent man.
