

Navigating Dental Bone Graft Market size 2024 : Share Insights, Future Demand and Forecast till 2032

Increasing awareness regarding dental health among individuals is one of the major factors driving market revenue growth

VANCOUVER, BRITISH COLUMBIA, CANADA, July 2, 2024

/EINPresswire.com/ -- The global [Dental Bone Graft Market](#) size was USD 517.0 Million in 2022 and is expected to register a rapid revenue CAGR of 17.1% during the forecast period.

Increasing awareness regarding dental health and rising prevalence of

periodontal diseases are key factors driving market revenue growth. When bone loss occurs in the jaw, a dental bone graft is required, which is usually performed prior to the insertion of dental implants or when bone loss is affecting surrounding teeth. According to World Health Organization (WHO), severe periodontal diseases estimated to affect around 19% of the adult population, globally.

The global dental bone graft market size was USD 517.0 Million in 2022 and is expected to register a steady revenue CAGR of 7.1% during the forecast period, according to latest analysis by Emergen Research. Increasing awareness regarding dental health among individuals is a key factor driving market revenue growth. When bone loss occurs in the jaw, a dental bone graft is required, which is usually performed prior to the insertion of dental implants or when bone loss is affecting surrounding teeth. Dental bone graft provides volume and density to the jaw in parts where bone loss has occurred. The repair of bone mass and structure assists patients in avoiding the development of other dental issues or disorders.

Leading companies looking for new revenue streams will find this research very helpful in understanding the market and its underlying dynamics. It is useful for companies looking to diversify into new markets or expand their current scope of operations.

Drivers of Growth in the Dental Bone Graft Market

Several factors drive the growth of the Dental Bone Graft market. Firstly, the increasing prevalence of chronic and life-threatening diseases, such as cancer, rheumatoid arthritis, and diabetes, fuels the demand for affordable therapeutic options, making Dental Bone Grafts an attractive choice for healthcare systems and patients alike. Secondly, the patent expirations of numerous blockbuster biologics open the door for Dental Bone Graft competition, encouraging the development and commercialization of these alternatives. Additionally, supportive regulatory frameworks and policies across various regions, such as the European Medicines Agency (EMA) and the U.S. Food and Drug Administration (FDA), streamline the approval process for Dental Bone Grafts, facilitating their market entry.

Segments covered in the report:

Emergen Research has segmented the global dental bone graft market on the basis of type of graft material, application, mechanism, material form, end-use, and region:

Type of Graft Material Outlook (Revenue, USD Million; 2019–2032)

Autografts
Allografts
Xenografts
Synthetic bone grafts

Application Outlook (Revenue, USD Million; 2019–2032)

Periodontal defects
Ridge augmentation
Socket preservation
Sinus lifts
Implantology
Craniofacial procedures
Others

Mechanism Outlook (Revenue, USD Million; 2019–2032)

Osteoconduction
Osteoinduction
Osteopromotion
Osteogenesis

Material Form Outlook (Revenue, USD Million; 2019–2032)

Granules
Blocks
Putty
Powder

Geographic Segment Covered in the Report:

The Dental Bone Graft Market provides information about the market area, which is further subdivided into sub-regions and countries/regions. In addition to the market share in each country and sub-region, this chapter of this report also contains information on profit opportunities. This chapter of the report mentions the market share and growth rate of each region, country, and sub-region during the estimated period.

- North America (USA and Canada)
- Europe (UK, Germany, France and the rest of Europe)
- Asia Pacific (China, Japan, India, and the rest of the Asia Pacific region)

- Latin America (Brazil, Mexico, and the rest of Latin America)
- Middle East and Africa (GCC and rest of the Middle East and Africa)

What Questions Should You Ask before Buying a Market Research Report?

How is the Dental Bone Graft Market evolving?

What is driving and restraining the Dental Bone Graft Market?

How will each Dental Bone Graft Market submarket segment grow over the forecast period and how much revenue will these submarkets account for in 2032?

How will the market shares for each Dental Bone Graft Market submarket develop from 2024 to 2032?

What will be the main driver for the overall market from 2024 to 2032?

Will leading Dental Bone Graft Market broadly follow the macroeconomic dynamics, or will individual national markets outperform others?

How will the market shares of the national markets change by 2032 and which geographical region will lead the market in 2032?
