

# US Navy Veterans Mesothelioma Advocate Now Urges a Veteran with Mesothelioma Because of Exposure to Asbestos on A Navy Ship to Call for Direct Access to the Nation's Top Lawyers for Much Better Financial Compensation

WASHINGTON, DC, USA, July 3, 2024

/EINPresswire.com/ -- The US Navy Veterans Mesothelioma Advocate says, "Our number one priority is seeing to it that a Navy Veteran with mesothelioma receives the best possible compensation results-especially if they served on a navy ship. We are urging a person like this anywhere in the USA or their family members to call us anytime at 866-714-6466 so we can get them to vital resources they need right now. One of these vital resources is direct access to some of the nation's most skilled and experienced mesothelioma attorneys.

"We have been assisting Navy Veterans with mesothelioma all over the nation for nearly two decades and we do not want a person like this or their family to get short changed because they had no way of telling the difference between some of the nation's top mesothelioma attorneys who have been helping people like this for decades and a mesothelioma marketing law firm that simply signs people up and then transfers this person to another law firm to work on the compensation claim.

"Before a Navy Veteran with mesothelioma or their family hires a law firm to assist with compensation, please call us anytime at 866-714-6466 to ensure you really are dealing with the nation's most qualified attorneys. Most Navy Veterans who will develop mesothelioma were exposed to asbestos on a navy ship." <https://USNavyMesothelioma.Com>

Suggestions from the US Navy Veterans Mesothelioma Advocate for Veterans with mesothelioma nationwide on how to increase potential financial compensation:

\*"Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred? This is incredibly important information.

\*"Do you recall the names of shipmates-coworkers who might have witnessed your exposure to asbestos?

\*"Did you have more than one job in the navy-armed forces where you might have been exposed to asbestos?

\*"Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?"
