

The Omnia Group Spotlighted in 'Empowered, Hosted by Meg Ryan' Public Television Show on Women Leaders in HR Tech

Tampa-based workforce assessments company spotlighted in a Meg Ryan-hosted documentary series on innovative HR tech solutions for hiring & employee engagement.

TAMPA, FLORIDA, UNITED STATES, July 3, 2024 /EINPresswire.com/ -- <u>The Omnia Group</u>, a leading workforce assessments company, will be featured in the iconic Empowered program, an initiative by Meg Ryan, the renowned actress and advocate for women's empowerment.

<u>Keather Snyder</u>, The Omnia Group's President and Chief Operating Officer, said, "For nearly four decades, we have been a woman-owned and woman-led business committed to helping leaders build companies everyone loves working for. This recognition feels truly special. We're thrilled to share our story with millions via Public Television."

Empowered, Hosted by Meg Ryan, the program known for highlighting critical stories about empowerment, selected The Omnia Group for their 'Women Leaders in Technology' documentary series. The episode focuses on 'Women Leaders in HR Tech — Workforce Analytic Solutions to Make Better Hiring Decisions and Improve Employee Engagement.'

"We selected The Omnia Group because their innovative approach and core values align with our mission to highlight women leaders in HR Tech who are making significant impacts in their fields. Their cutting-edge use of behavioral analysis, commitment to educating and empowering the next generation, and dedication to employee development made them an ideal partner for our series," said the Empowered creative development team.

Scheduled for primetime national airing on July 3rd, 2024, followed by regional airings throughout July, this Empowered, Hosted by Meg Ryan episode featuring The Omnia Group will be on all major networks, including Fox Business Network, CNN, MSNBC, CNBC, Discovery Life, Family Channel and CNN Headline News.

The documentary will also feature testimonials from long-time Omnia client Keating Auto Group and partner PuzzleHR, showcasing the real-world impact of Omnia's <u>behavioral assessments</u>.
