There's more to come...

Liliduro has entered the popular emerging platform. . .

Liliduro continues to attract the attention of young consumers through the content marketing strategy that best suits the brand.

In the past year, Liliduro have entered Tiktok US and UK stations, cooperated with a large number of content creators, produced high-quality short videos, and used live broadcasts and other forms to show consumers the charm of products in the most direct way.

In addition, Liliduro have also invited many content creators on the Instagram platform to allow consumers to gradually deepen their memory of the Liliduro brand and trust the quality of the products.

In addition to being active on social media such as Facebook and Youtube, Liliduro has made all its product types public on <https://liliduro.com/>.

Liliduro's future development direction...

In addition to continuously developing new products based on market changes and consumer demand, Liliduro will also sell in Mexico, Italy, Spain, Germany, France and other places in the future.
