A Diverse and Exciting Program

The Summer Short Film Festival offers a variety of activities that will delight cinema enthusiasts from all backgrounds:

Film Screenings:

Throughout the week, screening sessions will showcase an eclectic selection of short films.

Works by emerging directors will be presented alongside those of established filmmakers, giving the audience an

exceptional opportunity to discover diverse talents and cinematic styles. Each screening will be followed by a Q&A session with the directors, allowing for enriching exchanges with the creators. Participants will also have the chance to win money for their correct answers to the questionnaires. VIP and Premium seats will be able to easily interact with the presenter to answer questions.

Cinema Workshops:

Alongside the screenings, practical workshops will allow participants to learn about various aspects of filmmaking. From scriptwriting to editing, including directing actors and cinematography, these workshops will be led by industry professionals and will provide

valuable skills for developing personal projects. In addition, the best creations from the workshops can also receive financial rewards.

Seminar "Creating a Cinematic Film from A to Z":

One of the highlights of this edition will be the seminar titled "Creating a Cinematic Film from A to Z". This immersive seminar, held over several days, will guide participants through each step of filmmaking, from the initial concept to final distribution. Industry experts will share their knowledge and experiences, offering practical advice and inspiring perspectives.

Collaborative Evening:

Following the seminar, a collaborative evening will be organized, providing a platform for participants to apply the knowledge gained. This event will be a unique opportunity to network, exchange ideas, and collaborate on future projects. Cash prizes will be awarded to the most promising projects, offering essential financial support for film production.

An Event Open to All

The Summer Short Film Festival is aimed at a broad and diverse audience. Whether you are a cinema enthusiast, film student, aspiring filmmaker, or simply curious, this event is for you. The activities offered are accessible to all levels, from beginners to professionals.

Practical Information

The two main venues of the event, Pathé La Villette cinema and Markez La Folie L5, are easily accessible by public transport. Tickets for the screenings and workshops can be
