*"Momoiro Clover Z Reincarnates!? Watch the single-take MV for their new song ""Renacer Serenade"" filmed with a 360-Degree camera!"*

JAPAN, July 9, 2024 /EINPresswire.com/  
-- The music video for "Renacer Serenade" by Momoiro Clover Z is now released on their official YouTube channel.

The music video is inspired by a retro-exotic theme, featuring the members in vintage-like costumes, and a string and percussion band with cheerful dancers, all on their way to their joyful adventure along their music and song.

This MV was shot in a single-take, making full use of a 360-degree camera capturing all the surroundings. Enjoy the sense of being there, and the tensions of performers under the conditions of a single-take video. Make sure to watch it until the end, where the members "reincarnate" through a door.

"Renacer Serenade" is the second opening theme song for the TV anime "That Time I Got Reincarnated as a Slime" Season 3. This song emphasizes the importance of living each day and cherishing each encounter amidst the adventures of life to the audience, featuring the lively up-tempo sounds by the strings and percussion.

Motoki Ohmori (from Mrs. GREEN APPLE) produced the song and lyrics, being the first time contributing his song to Momoclo. This song, while evoking the theme of the anime, it also reminisces the past and future of Momoclo, so stay tuned for that too!
