

Layers by Shahd Alsaeed Wins Bronze in A' Interior Design Awards

Shahd Alsaeed's Innovative Office Design Recognized for Excellence by International Design Competition

COMO, CO, ITALY, July 4, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected international design competition, has announced Layers by [Shahd Alsaeed](#) as a Bronze winner in the [Interior Space and Exhibition Design](#) category. This prestigious recognition highlights the significance of Layers within the interior design industry, positioning it as a noteworthy and innovative project that showcases the talent and creativity of its designer, Shahd Alsaeed.

Layers' recognition by the A' Interior Space, Retail and Exhibition Design Award is not only a testament to its exceptional design but also a reflection of its relevance to current trends and needs within the interior design industry. The project's focus on creating a cozy, functional, and open work environment through the use of curved lines, neutral colors, and natural materials aligns with the growing demand for spaces that promote well-being and productivity. By incorporating plants and interconnected design elements, Layers demonstrates a commitment to holistic and harmonious design practices that benefit both users and the industry as a whole.

What sets Layers apart is its ability to transform a small, challenging space into a dynamic and inviting office environment. Through the strategic use of curved lines, a minimalist color scheme, and the seamless integration of design elements, Shahd Alsaeed has created a workspace that feels spacious, comfortable, and visually striking. The incorporation of walnut wood veneer, MDF, and gypsum board adds warmth and texture, while the use of Jotun ivory paint and beige epoxy
