

The Brookbush Institute Publishes a Cost Comparison of Top Corrective Exercise Certifications

Comparing the Corrective Exercise Certifications of Brookbush Institute, NASM, ACE, ISSA, PRI, Grey Institute, and Functional Movement Systems

NEW YORK, NY, UNITED STATES, July 4, 2024 /EINPresswire.com/ -- See the full article here: [Cost Comparison: Top Corrective Exercise Certification Programs](https://www.einpresswire.com/articles/cost-comparison-top-corrective-exercise-certification-programs)

For more information on our corrective exercise certification, check out: [Human Movement Specialist \(HMS\) Certification](https://www.brookbushinstitute.com/certification/hms)

Excerpt from Full Article:

In an effort to provide a transparent and comprehensive cost comparison of corrective exercise programs, information has been meticulously compiled, and prices have been compared with various respected programs. To ensure accuracy, the lowest available prices from each competitor's website have been published and the full article includes direct hyperlinks to the relevant pages. This allows anyone to verify the information for themselves.

We recognize the potential for perceived bias as the Brookbush Institute is comparing our prices against those of competitors. However, the goal is to offer an objective analysis that helps individuals make an informed decision. As a company, it is our aspiration to earn a reputation for being 10 times better than the competition based on accuracy, delivery, convenience, and price. There is no intent to "lie our way to the top." The mission is simple, "develop the education platform all of us wish existed."

CORRECTIVE EXERCISE CERTIFICATION PRICES:

- Brookbush Institute (BI) - Human Movement Specialist (HMS): \$29.99/month (included in membership, no additional fees, cancel anytime)
