NEW YORK, NY, USA, July 5, 2024 /EINPresswire.com/ -- Manic Panic, the iconic brand that has brought bold hair color and punk rock fashions to the forefront of global beauty, is thrilled to celebrate its 47th anniversary.

Our journey from a small punk rock boutique in NYC to a global brand has been extraordinary, and we owe our success to our loyal Dye-Hards and the vibrant community that has supported us" *Tish and Snooky, Manic Panic Co-founders* 

Fiercely independent since its inception in 1977, Tish and Snooky, the founders of Manic Panic, defied traditional beauty standards by introducing the punk look and style to America through their revolutionary hair colors and fashions. Adams, Mayor of New York City, applauded the trailblazing company's commitment to encouraging individuality and inspiring people in the five boroughs and beyond.

To show appreciation for their loyal fans, Manic Panic is offering a special promotion: up to 25% off sitewide. This offer is a celebratory gift to those who have supported the brand's colorful journey over the past 47 years and will into the future.

Additionally, Manic Panic will host an exclusive event to celebrate the 47-year "MANNIVERSARY." Guests will have the unique opportunity to join New York City icons Tish and Snooky for an evening of punk scene stories, cocktails, and refreshments.
