

Shop and Pay with ShipToBox.com

Shop from USA sales tax-free, consolidate packages, and enjoy AI-driven solutions.

NEW YORK, NEW YORK, USA, July 6, 2024 /EINPresswire.com/ -- ShipToBox.com, a leading cross-border e-commerce platform, proudly announces its latest innovation in online shopping – Shop and Pay. This new service enables customers and businesses to shop from USA retailers tax-free, merge and consolidate their purchases, and even have items bought on their behalf through the Buy For Me service. With AI-driven KYC and KYB, and Text-to-Pay services, ShipToBox.com is revolutionizing the shopping experience for international customers and businesses.

With the continuing rise of e-commerce, more people and businesses are turning to online shopping for their needs. However, for international shoppers, additional fees and taxes often complicate and increase expenses. ShipToBox.com eliminates these barriers by offering a sales tax-free shopping experience for customers and businesses purchasing from USA retailers, saving them money and streamlining the shopping process.

Effortless Cross-Border Shopping and Shipping
ShipToBox.com offers a platform that allows international customers and businesses to shop not only from U.S. e-commerce stores but also from global retailers. The service

provides a tax-free U.S. address and consolidates multiple packages into one shipment, significantly reducing shipping costs by up to 80%. This feature is beneficial for customers and businesses in regions where direct shipping from U.S. and international retailers is either unavailable or prohibitively expensive.

The advertisement graphic features an orange background with a white grid. In the top left corner is the ShipToBox logo (US Mail Forwarding) and in the top right is the website URL www.shiptobox.com. The grid is divided into two columns: 'How It Started' on the left and 'How It's Going' on the right. The 'How It Started' column contains images of a laptop, headphones, a smartwatch, and a smartphone. The 'How It's Going' column contains an image of a cardboard shipping box with the ShipToBox logo and shipping icons. At the bottom center, a white rounded rectangle contains the text 'The USA Shopping Has Never End'. Below the graphic, the text 'Shop and Ship' is displayed.

Buy For Me Service

The "Buy For Me" service allows ShipToBox.com to purchase items on behalf of customers and businesses from any global e-commerce retailer. This is useful for those whose local payment methods may not be accepted by international online stores. Once purchased, items are shipped to the provided tax-free address, consolidated, and forwarded to the customer's international address, ensuring a seamless shopping experience.

Advanced AI-Driven KYC and KYB Integration

ShipToBox.com integrates AI-driven Know Your Customer (KYC) and Know Your Business (KYB) technologies to enhance security and compliance. These solutions streamline the customer and business verification process, ensuring safe and secure transactions across the platform. This underscores ShipToBox.com's commitment to leveraging technology to improve customer experiences and maintain the highest standards of security and compliance.

Innovative Financial Solutions with Text-to-Pay

ShipToBox.com offers innovative financial solutions, including the Text-to-Pay feature, which allows customers and businesses to complete their transactions via text message. This simplifies the payment process, making it quicker and more convenient. Customers and businesses can manage their orders, payments, and shipping preferences through an intuitive online dashboard, ensuring a smooth and hassle-free
