

Junno's Table by Masanori Goto Wins Bronze in A' Interior Design Awards

Masanori Goto's Innovative Restaurant Design Recognized for Excellence in Interior Space and Exhibition

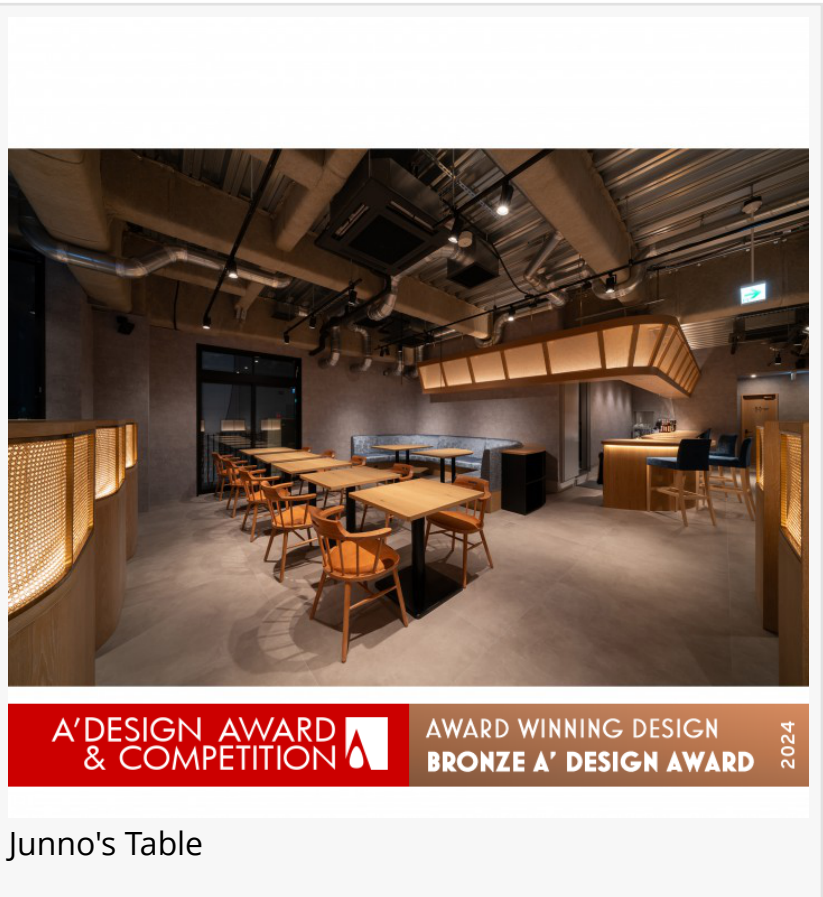

COMO, CO, ITALY, July 6, 2024

/EINPresswire.com/ -- The A' [Design Award](#), a highly respected recognition in the field of [interior](#) design, has announced Junno's Table by [Masanori Goto](#) as a Bronze winner in the Interior Space and Exhibition Design category. This prestigious award celebrates the exceptional creativity and innovation demonstrated in Goto's restaurant design, positioning it as a noteworthy contribution to the interior design industry.

Junno's Table's recognition in the A' Interior Space, Retail and Exhibition Design Award highlights its relevance to current trends and needs within the interior design sector. The design's innovative use of materials, functional layout, and aesthetic appeal align with industry standards and practices, offering practical benefits for users and stakeholders alike. This award serves as a testament to the design's potential to inspire and advance interior design as a whole.

Masanori Goto's award-winning design for Junno's Table stands out for its unique features and meticulous attention to detail. The walls and floors are finished with plaster materials, while all the furniture, including tables, chairs, counters, and partitions, is meticulously crafted from oak. The sofa seating area features illuminated rattan partitions that radiate beautiful light from within, gracefully enveloping the space. The rattan itself is a traditional craft, skillfully created by artisans from a specialty shop with a legacy dating back to 1926 in Hiroshima, Japan.

The recognition of Junno's Table in the A' Interior Space, Retail and Exhibition Design Award

Junno's Table

serves as motivation for Masanori Goto and his team to continue striving for excellence and innovation in their future projects. This achievement has the potential to inspire further exploration and advancement in the field of interior design, fostering a culture of creativity and pushing the boundaries of what is possible in the industry.

About Masanori Goto

Masanori Goto is a Japanese interior and architectural designer known for his adept utilization of materials in unexpectedly innovative ways. His Tokyo project, Junno's Table, showcases his ability to create beautiful lighting fixtures by illuminating rattan from within, producing a magical ambiance that resonates with his delicacy and Japanese tradition. Recognized as "Most Viewed & Most Popular" for two consecutive terms at the design awards, Masanori Goto is emerging as a noteworthy Japanese designer to watch.

About Junno's Table

Junno's Table is a restaurant that offers a cuisine style based on dishes from around the world, incorporating traditional Japanese ingredients and techniques. The award-winning interior design by Masanori Goto elevates the dining experience, creating a unique and inviting atmosphere that complements the innovative culinary offerings.

About Bronze A' Design Award

The Bronze A' Design Award recognizes outstanding designs that demonstrate a high level of creativity, practicality, and professional execution. Winners are acknowledged for their innovative use of materials, technology, and their potential to positively influence industry standards. The rigorous selection process involves blind peer review by an expert jury panel of design professionals, industry leaders, journalists, and academics, ensuring that only the most deserving designs receive this prestigious recognition.

About A' Design Award

The A' Design Award is an international, juried design competition organized annually since 2008 across all industries, welcoming entries from all countries. Its mission is to recognize and promote superior products and projects that advance and benefit society, ultimately contributing to creating a better world. By celebrating remarkable achievements and showcasing pioneering designs on a global stage, the A' Design Award inspires and drives the cycle of innovation in the design community.
