Following weeks of hard work, the campaign of Mike McCurdy for Meridian Township Clerk has to unfortunately spend time and resources to continue in countering campaign misinformation.

Throughout the campaign for Meridian Township Clerk, Mike and volunteers have knocked on over 3,000 doors, with a goal of 2,000 more before the August 6 Democratic Primary election. While it has been wonderful for Mike and the campaign to meet so many of township residents, it is distressing to hear that some still believe misinformation that has been spread about Mike McCurdy by his opponent. Mike is a lifelong Democrat who has always voted Democratic. He has been a card holding, convention going, voting member of the Michigan Democratic Party for the last decade. Any information being spread to the contrary is a cynical effort to mislead voters. Misleading voters should have no place in politics, but especially in a race where election integrity is at the heart of the job.

As a candidate for Meridian Township Clerk Mike knows that the Clerk must represent all voters, not just one political party. Every voter deserves to have as much transparency in the election process as is possible so they can know that our elections are free and fair. As your next Clerk, Mike McCurdy will commit himself to utilizing skills gained through a lifetime of professional work to ensure the Meridian Township Clerk's office is managed fairly and effectively.

Please see endorsements above for clear evidence of the longstanding nature of the Democratic nature of his politics and values.

Your vote matters August 6, 2024.
