Tattoo Removal*

is proud to announce that it offers the revolutionary [PicoWay®](#) from Candela. PicoWay® has garnered widespread acclaim and national recognition, including a feature on NBC's Today Show. Steve's [Tattoo Removal](#) is one of the premier clinics in British Columbia that offers PicoWay® for tattoo removal.

Meet the PicoWay® laser, intentionally designed to work from the inside out.

The PicoWay® system delivers high peak power and the shortest pulse durations for a non-thermal, photoacoustic effect that transforms skin from the inside out. This

remarkably innovative PicoWay® laser can treat a wide range of tattoos. Even difficult-to-treat blue and green tattoos.

"I'm so excited to share this technology with the Fraser Valley community. The PicoWay® is a major step forward in tattoo removal, allowing us to remove unwanted tattoos with minimal discomfort," said Steve Wiens, owner of Steve's Tattoo Removal. "As soon as this device became available, I knew I had to have it for our office," he added.
