

Healthiest Employers Named in Florida Awards

Healthiest Employers®, the premier trusted awards program, announced the winners for the 2024 Healthiest Employers awards program in 3 Florida locations.

INDIANAPOLIS, IN, UNITED STATES, July 8, 2024 /EINPresswire.com/ -- Healthiest Employers®, the premier trusted awards program that recognizes people-first organizations, announced the winners for the 2024 Healthiest Employers awards program in 3 Florida locations.

Since 2009, Healthiest Employers has awarded some of the top corporate wellness programs for their investments in employee health and well-being. The goal of Healthiest Employers is to be a resource for organizations focused on improving their employees' health and creating a community for networking and educational opportunities.

Applications are scored using a rubric-style, 1-100 scale. The assessment is comprised of six categories with yes/no, multiple-choice, and short-answer questions, with each question totaling .25-3 points. A Healthiest Employers Index (HEI) is assigned to each application to help it rank among companies. For information on how the applications are scored, please visit our methodology page.

With many of the nation's fastest-growing cities located in the state of Florida, employers must continue to expand and improve their company culture and benefits offerings to attract and maintain top talent.

To learn more about each location and its winners, click on their individual page below or view all of our district awards here.

All winners are listed in alphabetical order. Rankings may be viewed on the website.
