than just music—it's a mood. Enjoy the laid-back, "Sunny Side of the Street" essence of St. Petersburg, FL, embodying the spirit of the Big Easy and the energy of the Big Apple.

□About Carl Fischer:

□Carl Fischer is a versatile musician, acclaimed for his roles as a trumpet, flugelhorn, trombone, and saxophone player in the Billy Joel band. Back home from a 10-year hiatus of playing on Long Island with his own bands,

Fischer's extensive career features collaborations with some of the biggest names in the music industry. His versatility and passion for music have established him as one of the premier brass musicians of his generation. Carl honed his skills at local venues such as the renowned Sonny's Place in Seaford, NY, and the Brokerage in Bellmore, NY, where he played with groups like the Funk Filharmonik. From these local beginnings, Fischer has moved on to perform for decades in record-breaking world tours, multiple performances for the NY Yankees, on television specials including the Grammy's with Billy Joel, and 115 shows and counting at Madison Square Garden. His work with the Sunshine City Brass showcases his talent in blending various musical styles, resulting in a sound that is both unique and captivating, with an aggressive, in-your-face, exciting style.

□Special Guest:

□Joining Carl will be saxophonist John Scarpulla. John has performed with the Funk Filharmonik, toured and recorded with funk legends Tower of Power, and collaborated with pop superstars such as Celine Dion and Mariah Carey. He and Carl have worked together throughout their careers, including with the Diana Ross band, further cementing their musical synergy.

□Sunshine City Brass Band Members:

□Carl is bringing two Sunshine City Brass members from Florida: Luis Alicea on drums, fresh off a European tour with the great Al Di Meola, and tenor sax titan Jeff Rupert, a world-class jazz player and one of today's premier jazz educators, serving as the director of jazz studies at the University of Central Florida. Rounding out the band is Carl's longtime musical partner from their days with jazz trumpet icon Maynard Ferguson, organist Ron Oswanski, who has also been featured on multiple records including Carl Fischer's Organic Groove Ensemble.
