

# Community Advocates Take Safety to a Whole New Level

*Tom and Nicole Yohnnson Lead a Local Search & Rescue Organization and Promote Mold-Free Environments*

TABERNACLE, NJ, US, July 9, 2024 /EINPresswire.com/ -- [Tom and Nicole Yohnnson](#), dedicated to

“

We prioritize the health and safety of our clients. Our team has the necessary training and experience to accurately identify mold infestations, assess the risks, and provide effective solutions.”

*Nicole Yohnnson*

the safety and well-being of their community, have made it their life's mission to protect and serve as leaders of a local search and rescue organization and owners of a company focused on creating mold-free environments, [Environmental Mold Solutions of NJ](#). With a deep commitment to creating a safe and healthy community, they have become trusted advocates for safety, ensuring that families are protected from the potential dangers of mold inhalation.

Tom and Nicole Yohnnson, through their roles in the search and rescue organization, have demonstrated an

unwavering dedication to their community's safety. No matter the time of day or night, they are always ready to assist local authorities in finding missing persons. Their commitment to this crucial work has earned them the respect and gratitude of both law enforcement and the community they serve.

In addition to their involvement in search and rescue, the Yohnnsons established a company in 2015, Environmental Mold Solutions of NJ, to address the significant health risks associated with mold inhalation. Recognizing the importance of proactive measures, they provide comprehensive mold inspection services to protect families, homes, and businesses from the potential harmful effects of mold.

[Mold inhalation poses serious health hazards](#), including innate immune activation, neural, cognitive, and emotional dysfunction. The Yohnnsons understand the importance of addressing this issue proactively and ensuring that homes are safe environments for everyone. With their expertise and experience, they have become trusted professionals in the region for mold inspection.

Nicole Yohnnson, co-owner of Environmental Mold Solutions of NJ, emphasizes the importance of choosing the right professionals to inspect your home. She states, "at our company, we prioritize the health and safety of our clients. Our team has the necessary training and experience to accurately identify mold infestations, assess the risks, and provide effective solutions. We understand the potential health consequences of mold and are committed to ensuring that families can live in a safe and mold-free environment."

Tom and Nicole Yohnnson's dedication to the safety and well-being of their community is evident in their tireless efforts to protect families from the potential dangers of mold inhalation. Their work with the local search and rescue organization and their commitment to promoting mold-free environments reflects their unwavering dedication to creating a safer world for everyone.
