

Kristen Thomasino, Award-Winning Social Good Technologist Available for Public Speaking Engagements in 2025

Social Good Technologist finishes product development phase for The Social Good Experiment.

LOS ANGELES, CA, UNITED STATES,
December 29, 2024 /

EINPresswire.com/ -- The Social Good News for [Thomasino](#) Media LLC is thrilled to announce that Kristen Thomasino, the CEO of Thomasino Media LLC and Buddytown Consulting LLC, is now available for public speaking engagements. An acclaimed 28-time award-winning social good technologist, Kristen has captivated audiences worldwide, with keynote appearances at prestigious events, including the World Women Forum in Paris, France, and the MGM Grand in Las Vegas, Nevada.

Kristen Thomasino Global Humanitarian & Social Good Technologist

Kristen's presentations cover a diverse range of topics, including social good, technology, the economy, education, health and wellness, environment, ethics, entertainment, community, and science. Her dynamic and inspiring speeches are tailored for all types of audiences, from students and educators to professionals and retirees.

Key Highlights of Kristen Thomasino:

*CEO of Thomasino Media LLC and Buddytown Consulting LLC

*Editor in Chief of The Social Good News and Social Good Magazine

*Awarded the Innovation and Excellence Award by Corporate LiveWire for Business Service Provider of the Year USA (2024)

*Honored by Acquisition International with the "Most Dedicated Social Good Networking CEO 2024 USA" title

*Winner of the "Best Technology & Social Good Application CEO 2024" at the Technology CEO of the Year Awards for her innovative application, Buddytown

*Previous recipient of the AvidXchange Excellence Award and numerous accolades in fintech for social good and healthcare advocacy

Kristen Thomasino, Global Humanitarian, Social Good Technologist, 22x Author, 4x Show Host, Creator of Buddytown the App & The Social Good Experiment

Kristen's resilience in the face of severe Fibromyalgia, a condition that caused significant mobility issues, adds a relatable and empowering layer to her speaking style. Her personal journey, coupled with her expertise in leading think tanks and developing influential B2B payment networks, solidifies her position as a thought leader in technology and social good.

“

I believe in the power of technology and social good to create meaningful change. My goal is to inspire and empower others to make a positive impact in their communities and beyond.”

Kristen Thomasino | Social Good Technologist & Global Humanitarian

In addition to her speaking engagements, Kristen has recently joined FITECH as Vice President of Sales, where she will help real estate and construction organizations succeed with cutting-edge property tech and consulting services.
