“

This would be ideal for Amazon associates. With our Daycare Centers, our associates could use Jig App to welcome teachers and tutors to help their children with homework and activities.”

Amazon Site Leader, Las Vegas, NV

Jig App is your gateway to connecting with vetted educators for personalized, at-home learning and extracurricular activities. Plus, it opens the doors to exciting adventures with local studios, rental services, and providers. Whether it's tutoring, music lessons, arts and crafts, sports coaching, or beauty & wellness services, Jig App has something special for everyone.

In today's fast-paced world, Jig App offers a convenient, stress-free approach to alternative after-school extracurricular activities and learning. What sets Jig App apart is its personalized at-home services and an extensive range of activities and wellness options designed for the

entire family.

An Amazon Site Leader from Las Vegas, NV, shared their excitement: "This would be ideal for Amazon associates. With our provided Daycare Centers at some of our locations, our associates would be able to utilize the Jig App to welcome teachers and tutors to help their children with homework and extracurricular activities right here at our Daycare Centers while they go to work! I believe that a company like Amazon would support a company like Jig. When Jig is up and running, please let us know! We would love to be the first ones to know about the news!"

JIG HAS OFFICIALLY LAUNCHED ON KICKSTARTER!!! WINDOW CLOSING ON JULY 28, 2024

Jig App Key Features Include:

- *Wide Range of Subjects and Activities: Real-time booking and scheduling.
- *Secure Payment System: Progress tracking for students/users.
