

GPX Intelligence Welcomes Pride Mobility to its Esteemed Client Family

GREENSBORO, NORTH CAROLINA,
UNITED STATES, July 12, 2024

/EINPresswire.com/ -- GPX Intelligence, a leading provider of cutting-edge [GPS tracking](#) and asset management solutions, is thrilled to announce [Pride Mobility](#) as one of its latest key clients. This new relationship marks a significant milestone in GPX's mission to empower [medical device businesses](#) with the technology they need to excel in the industry.

Pride Mobility, a respected leader in the design and manufacture of mobility products, including the world-famous Jazzy brand of power wheelchairs, electric scooters, and power lift recliners, has chosen GPX Intelligence as its trusted solution for deploying tracking solutions for medical devices.

This collaboration is set to revolutionize the way Pride Mobility manages and tracks its medical equipment, ensuring these essential devices are always in the right place, at the right time, to meet patient needs.

By integrating GPX Intelligence's state-of-the-art GPS tracking solutions, Pride Mobility stands to gain key business benefits, including:

- Enhanced Asset Management: Real-time tracking and monitoring of medical devices will allow Pride Mobility to optimize asset utilization, reduce downtime, and prevent loss or theft, ensuring devices are available when patients need them most.

The logo for Pride Mobility, featuring the word "PRIDE" in a large, bold, black, sans-serif font. Below it, the word "MOBILITY" is written in a smaller, spaced-out, black, sans-serif font. Underneath "MOBILITY" is the tagline "LIVE YOUR BEST" in a smaller, spaced-out, black, sans-serif font. A registered trademark symbol (®) is located to the upper right of "PRIDE".The logo for GPX, featuring the letters "GPX" in a bold, black, sans-serif font.

Pride Mobility Joins GPX Client Family

- Improved Patient Satisfaction: With the ability to precisely track equipment locations and statuses, Pride Mobility can expedite delivery times and improve the overall experience for patients, leading to increased satisfaction and loyalty.
- Data-Driven Decisions: Access to detailed analytics and insights will empower Pride Mobility to make informed decisions about inventory management, distribution strategies, and maintenance schedules, further improving efficiency and reducing costs.
- Compliance and Security: GPX Intelligence's solutions will assist Pride Mobility in adhering to regulatory requirements by providing detailed logs and reports on device usage and movements, ensuring the highest standards of safety and compliance.
- Sustainability Impact: Efficient tracking and management of medical devices contribute to a reduction in carbon footprint by optimizing routes and minimizing unnecessary transportation.

"We are honored to welcome Pride Mobility into the GPX Intelligence family," said Gabe Weeks, chief executive officer at GPX Intelligence. "Our partnership underscores a shared commitment to innovation and excellence. We are excited to see how our location intelligence solutions will not only enhance Pride Mobility's operations but also make a positive impact on the lives of those who rely on their products."

Pride Mobility's decision to utilize GPX Intelligence's GPS tracking technology for tracking insured medical devices for patients represents a forward-thinking approach to healthcare and mobility. Together, the companies work to set new standards in patient care and operational efficiency.
