

LocalLive To Integrate With SportsRecruits To Power College Recruiting Efforts

LocalLive Networks will integrate with SportsRecruits, the leading college recruiting network, to empower high school student-athletes.

NEW YORK, NY, UNITED STATES OF AMERICA, July 11, 2024

/EINPresswire.com/ -- [LocalLive Networks](#) will integrate with [SportsRecruits](#), the leading college recruiting network, to empower high school student-athletes to pursue their dreams of playing college sports.

LocalLive partner schools will be able to leverage the SportsRecruits network to create an audience of every college coach in the country for video captured by LocalLive. After a high school game is streamed, the video will be available to each student-athlete competing in that game. Student-athletes can use the video tools on SportsRecruits to cut clips and share highlights with every college program in the country. Student-athletes are then notified of which schools view their profile and video, providing transparency into an otherwise opaque process.

Kevin Devaney, Jr, Executive Vice President of LocalLive, said “One of the most underrated aspects of the recruiting process is the athlete’s ability to get strong, quality video in the hands of college coaches in a timely fashion. This partnership between LocalLive and SportsRecruits accomplishes that.”

“Our mission at SportsRecruits is to empower student-athletes to pursue their dreams. When a student-athlete makes a great play, we want to make it as easy as possible for college coaches to tap into that video,” said Matt Wheeler, Co-Founder of SportsRecruits. “SportsRecruits supports the college search and recruiting process for high school athletes across every sport and we are

excited to support student-athletes at LocalLive partner schools.”
