/EINPresswire.com/ -- Greg brings a unique blend of dedication, leadership, and community commitment to his campaign with over 20 years of aviation leadership experience, having served in both civil and military aviation. A proud graduate of Georgetown University with a Bachelor of Arts in Government, Greg's career began with a commission as a Second Lieutenant in the United States Marine Corps. Throughout his 20 years of distinguished active and reserve duty military service, he flew F/A-18 fighter/attack jets, primarily stationed at MCAS Miramar, and recently retired as a Marine Reservist at the rank of Lieutenant Colonel.

"Service is at the core of who I am," Greg said. "I understand the commitment and sacrifice it requires, and I am eager to bring this devotion to our city."

Greg's military career included multiple deployments to the Pacific and the Middle East, where he supported Operations Iraqi Freedom and Inherent Resolve. His valor and dedication earned him numerous accolades, including the Navy and Marine Corps Achievement Medal, Meritorious Service Medal, and six Air Medals for flying over 100 combat missions in direct support of our Marines, Sailors, and Soldiers.

For the past 18 years, Greg has called San Diego home. It is here that he met his wife of 10 wonderful years, Pamela, and where they have raised their two children, Nina and Ronan, along with their beloved puppy, Pepper. The Day family has been a part of the Carlsbad community for the past eight years, actively participating in their children's school activities and their church community.

"Carlsbad is the perfect place for us to raise our family," Greg said. "My top priority is ensuring it remains a wonderful place for all families."
