Today I went to Teleferic Barcelona for lunch. I had a great experience. I ordered the kabob skewers and the All Seasons Salad. The salad had heirloom tomatoes, avocado, watermelon, cucumbers, bell peppers, and black olives. This salad is pressed into a cylinder topped with arugula, this gluten free & vegan salad is just incredible! The kabob skewers were really delicious! They were more like steak skewers.

It came with tomato hummus and basil dressing. This dish is NOT vegan or gluten free. However, though, you can ask them to make it gluten free and it tastes the same.

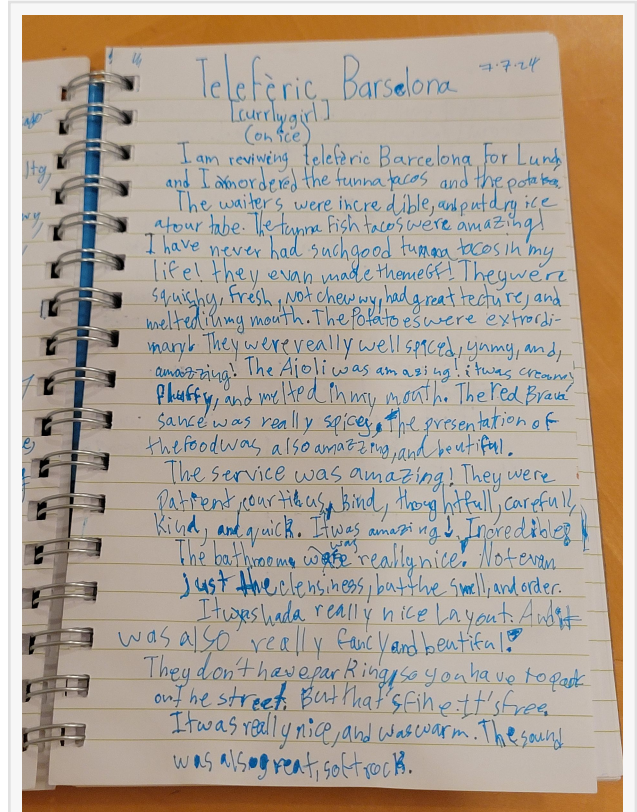

I also got the dessert trio. It was amazing! It came with french toast, dilled vanilla ice cream w/ caramel sauce, charos fufos Nuttella, & rice pudding. It also came with jelly squares.

Everything was so good! The service was great, waiters extraordinary. I hope you enjoy!
