

Queen by Pinar Eren Wins Bronze in A' Furniture Design Awards

Pinar Eren's Bench Design Recognized for Excellence in Furniture Design by Prestigious A' Design Award

COMO, CO, ITALY, July 11, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- The esteemed A' Design Award, one of the world's most respected [design competitions](#), has announced [Pinar Eren](#) as a Bronze winner in the [Furniture](#) Design category for her exceptional work titled Queen. This prestigious recognition highlights the significance of Eren's design within the furniture industry, celebrating its innovation, craftsmanship, and aesthetic appeal.

Queen's triumph in the A' Furniture Design Awards underscores its relevance to current trends and needs within the furniture industry. The

design's harmonious blend of materials, geometric precision, and gentle curves aligns with the demand for furniture that seamlessly combines form and function. This recognition serves as a testament to the design's potential to positively influence industry standards and practices.

Pinar Eren's Queen bench showcases a meticulous selection of materials, effortlessly blending the elegance of black marble with the weathered charm of tumbled brass. The head and coffee table sections exclusively feature marble, accented by a wooden panel extension, while the foot section incorporates aged brass, evoking a sense of timeless endurance. This unique combination of elements creates a design that stands out in the market, offering both visual appeal and practical functionality.

The Bronze A' Design Award for Queen serves as motivation for Pinar Eren and her team to continue striving for excellence and innovation in their future projects. This recognition inspires

them to further explore the possibilities of material combinations and push the boundaries of furniture design, without implying dominance over the industry. It fosters a commitment to creating designs that enhance the user experience and contribute positively to the furniture landscape.
