TOMS RIVER, NEW JERSEY, USA, July 15, 2024 /EINPresswire.com/ -- The New Jersey Mesothelioma Victims Center is appealing to the family of a former school or hospital maintenance person with just diagnosed mesothelioma anywhere in New Jersey to please call attorney Joe Belluck of Belluck & Fox at 866-714-6466. Joe Belluck is New Jersey's leading mesothelioma attorney and he and his remarkable team at the law firm have been assisting people with mesothelioma in New Jersey for decades. Attorney Joe Belluck also has references from families in New Jersey who have been compensated because of Joe Belluck's efforts.

The group says, "The reason we are focused on former school or hospital maintenance staff members who now have mesothelioma in New Jersey is because they might have had routine on the job exposure to asbestos. Essentially, many of these types of workers might have been responsible for maintaining boilers, repairing-maintaining plumbing pipes-pumps, making electrical-plumbing repairs. Additionally, they may have been responsible for re-wrapping pipes insulated with asbestos. Some of these types of workers might have had asbestos exposure levels like a shipyard worker.

"If your husband or dad is a former school-hospital maintenance worker with recently diagnosed mesothelioma anywhere in New Jersey, please call attorney Joe Belluck of Belluck & Fox at 866-714-6466. When it comes to financial compensation for mesothelioma the law firm of Belluck & Fox has few equals."
