

# Minnesota Mesothelioma Victims Center Recommends Attorney Erik Karst of Karst von Oiste for a Former Auto Truck Mechanic Anywhere with Mesothelioma in Minnesota-Hire the State's Top Attorney-Get the Best Compensation

MINNEAPOLIS , MINNESOTA , USA, July 16, 2024 /EINPresswire.com/ -- According to the Minnesota Mesothelioma Victims Center. "If you are an auto-truck mechanic who has just been diagnosed with mesothelioma anywhere in Minnesota please make financial compensation a top priority and call attorney Erik Karst of Karst von Oiste anytime at 866-714-6466. If a person was working as an auto-truck mechanic before the early 1980s they would have had routine exposure to asbestos-especially if they were replacing brakes, or repairing-replacing transmissions, clutches, or engine valves. An auto mechanic might have had as much exposure to asbestos as a shipyard worker.

"The reason we recommend attorney Erik Karst of Karst von Oiste for an auto-truck mechanic, a navy veteran, a plumber or any type of person with mesothelioma in Minnesota is because he is Minnesota's best known mesothelioma attorney, he and his colleagues have been assisting people with mesothelioma for decades, and they produce superior financial compensation results for their clients.

"If your loved one has mesothelioma in Minnesota please focus on compensation and call

attorney Erik Karst of Karst von Oiste at 866-714-6466. There might appear to be endless law firm possibilities for people with mesothelioma in Minnesota, but there is only one Erik Karst. Expect the best compensation results." [www.karstvoniste.com/](http://www.karstvoniste.com/)

The Minnesota Mesothelioma Victims Center is also appealing to a Navy Veteran or worker who had significant exposure to asbestos before 1983 and who now has lung cancer anywhere in Minnesota to please call them at 866-714-6466 about compensation. A compensation settlement for a person like this might be hundreds of thousands of dollars, and for Veterans there might also be VA Benefits.
