dedication to reliability, security, and sustainability. She plans to utilize the company's expertise, resources, and partnerships to position EthosEnergy as a key player in shaping the future of energy. Reflecting on the honor, Amicarella stated, "I am humbled to be recognized by the Houston Business Journal as one of their Most Admired CEOs, amongst a list of highly respectable and accomplished leaders who are committed to making a positive difference. This recognition speaks less about my accomplishments and more about the team that I am privileged to lead at EthosEnergy. I am profoundly grateful for the award and will continue to make efforts that contribute to the vibrant Houston community and the worldwide energy industry as a whole."

This year's honorees will be recognized on August 30, 2024, in a special section of the Houston Business Journal's weekly edition and celebrated at an awards luncheon on the same day at the Marriott Marquis Houston.
