LONDON, UNITED KINGDON, July 22, 2024 /EINPresswire.com/ -- [SWiM PAY](https://www.swim-pay.com), a leading payment processing company, has announced the launch of their new Cash Back Rewards Program for their clients. The program, called SWiM REWARDS, offers automatic free membership to all SWiM PAY clients and allows them to earn points for US Dollar Cashback simply by making or receiving payments on the platform.

Tired of never-ending fees being charged by Banks for the privilege of handling your money? With SWiM PAY, clients earn SWiM REWARDS US Dollar cash reward points for every

transaction they make or receive through SWiM PAY. These points have no expiration date and are automatically credited into their SWiM REWARDS account and can be redeemed for cash in US Dollars (or one of the 49 currencies provided by SWiM PAY), or redeemed by exchanging them for a selection of over 4,500 gift vouchers from major airlines, hotels and retailers. SWiM REWARDS points can even be used to purchase points from other points programs or can be gifted to clients, staff or other parties. This means that SWiM PAY clients can now earn US Dollar cash back on their everyday business transactions, making their payments even more rewarding.
