

# Aiarty Image Enhancer Review Contest Is Underway with \$10K Cash Prizes

*Aiarty Image Enhancer review contest is live, offering \$10K in cash prizes for 100 winners and 50% off coupon for Aiarty full license to unlimited participants.*

CHENGDU, SICHUAN, CHINA, July 15, 2024 /EINPresswire.com/ -- Digiarty Software, a leading multimedia software provider, is excited to announce a new campaign, "Test Aiarty, Publish Review, Win Reward",

encouraging users to try the AI-powered [Aiarty Image Enhancer](#) and share their experiences. With a total of \$10,000 in cash prizes for 100 winners, participants can win in three categories: image review (\$50 each for 40 winners), short video review (\$100 each for 40 winners), and YouTube video review (\$200 each for 20 winners). Anyone interested in this contest can join it before Saturday, August 31, 2024, at 12:00 p.m. PST.

“

This contest not only rewards users but also helps us continue developing innovative solutions that meet their needs.”

*Jack Han, CEO of Digiarty Software*

This contest is open to everyone, regardless of image or video editing expertise. Aiarty Image Enhancer is lightweight and easy to use, even for beginners. Reviews don't need to be complex; users simply need to process any image with Aiarty and share their thoughts on the experience. Winners will be randomly selected from those who publish a review, rather than being judged on the quality of their images or videos.

In addition to cash rewards, there is a participation prize for unlimited participants: a 50% off discount on a full license for Aiarty Image Enhancer, saving up to \$77.

For specific rules and to enter, please visit: <https://www.aiarty.com/ai-image-enhancer/review-contest.htm>

About Aiarty Image Enhancer

Aiarty Image Enhancer Review Contest

Aiarty Image Enhancer is an [AI-powered image upscaling](#) and enhancement tool for Windows and Mac. It uses 3 advanced AI models, namely More-Detail GAN v2, Smooth Diff v2, and Real-Photo v3, to increase image resolution up to 32K, reduce noise and blur, remove pixelation, and even generate realistic details.

Thus, users can test Aiarty on low-resolution, noisy, blurry, or pixelated images, and see how well it enhances the image quality. Images can be self-captured photos, downloaded images, and even AI-generated creations from tools like Midjourney. Additionally, users can evaluate Aiarty's hardware requirements and its compatibility with regular computers.

### How to win Aiarty 50% off coupon

Participants simply need to go to the contest page and share any of the images or videos enhanced by Aiarty on Facebook or Twitter. They will receive a 50% off coupon for Aiarty Image Enhancer full license via email upon successful sharing of images/videos and submission of their email address. There's no limit on the number of coupons available.

### How to win cash prizes

1. Try Aiarty Image Enhancer: Participants can use their own images or those provided by Digiarty.
2. Publish a review: Post review on any of these social platforms: Facebook, Twitter, YouTube, TikTok, Instagram, Pinterest, or Reddit. Be sure to include the hashtag #Aiarty in the review and follow any of Aiarty's social accounts.
3. Submit the review URL: Participants submit the review URL and their email address to the contest page.

Winners will be randomly selected weekly from those who shared their review on social media. They will be informed via email and announced on the Aiarty Facebook page.

"We're excited to give users the opportunity to experience Aiarty Image Enhancer firsthand and share their valuable feedback," said Jack Han, CEO of Digiarty. "This contest not only rewards users but also helps us continue developing innovative solutions that meet their needs."
