

Healthiest Employers Named in Texas Awards

Healthiest Employers®, the premier trusted awards program, announced the winners for the 2024 Healthiest Employers awards program in Texas.

AUSTIN, TEXAS, UNITED STATES, July 15, 2024 /EINPresswire.com/ -- Healthiest Employers®, the premier trusted awards program that recognizes people-first organizations, announced the winners for the 2024 Healthiest Employers awards program in Texas.

Since 2009, Healthiest Employers has awarded some of the top corporate wellness programs for their employee health and well-being investments. The goal of Healthiest Employers is to be a resource for organizations focused on improving their employees' health and creating a community for networking and educational opportunities.

Applications are scored using a rubric-style, 1-100 scale. The assessment is comprised of six categories with yes/no, multiple-choice, and short-answer questions, with each question totaling .25-3 points. A Healthiest Employers Index (HEI) is assigned to each application to help it rank among companies. Please visit our methodology page here for information on how the applications are scored.

[Real Estate News Reports](#) that 3 of the nation's top 25 fastest-growing cities are located in the Lonestar State:

#2 Killeen

#15 Brownsville

#19 Austin

Because of this, employers must continue to expand and improve health benefit offerings in order to attract and maintain top talent.
