GURUGRAM, HARYANA, INDIA, July 15, 2024 /EINPresswire.com/ --

[StartupInvestors.ai](https://www.startupinvestors.ai), the innovative AI-driven investor discovery platform, is excited to announce the launch of sector-specific investor lists. This new feature allows startup founders and investment advisors to effortlessly download targeted lists of the most active investors in their specific sectors, saving time, money, and resources in the investment search process.

“

Before reaching out to investors, it's crucial for founders to evaluate investor activity in their specific sectors, stages, and round sizes. Our sector-specific lists simplify this process.”

relevant.”

**Data-Driven Insights for Smarter Investment Decisions :** Factacy's financial intelligence platform reveals compelling insights: in the past two years, many investors have made their first investment and continued to engage in multiple deals. Founders and advisors often overlook new, active investors by focusing on well-known early and growth-stage investors. Factacy's sector-specific lists bridge this gap, offering a comprehensive view of the investment landscape.
