

# IntellectAI wins big at Real Innovation Technology Awards 2024

*Setting a New Benchmark in the Wealth Industry's Digital Transformation*

LONDON, UNITED KINGDOM, July 16, 2024 /EINPresswire.com/ -- [IntellectAI](#), the Wealthtech and Insurtech arm of global fintech leader [Intellect](#) Design Arena, announces its win in the "Best Use of New Technologies" category at the Real Innovation Technology Awards 2024 for its exceptional implementation of advanced technologies at one of the UK's largest wealth managers.

This accolade recognises IntellectAI's pioneering efforts in revolutionising the wealth industry through the use of cutting-edge DevSecOps and AI technologies. The company's innovative solutions have significantly enhanced operational efficiency, bolstered cybersecurity, and improved customer experience, setting a new benchmark for digital transformation in the wealth management industry.

“

Our innovative use of DevSecOps and AI technologies demonstrated the transformative potential of technology in driving sustainable business growth”

*Banesh Prabhu, CEO of IntellectAI*

IntellectAI has achieved remarkable results, including:

- Reducing release cycle time by more than half, ensuring faster and more reliable service delivery.
- Saving approximately 18,000 man-hours annually through efficient resource management.
- Strengthening cybersecurity by detecting and mitigating security threats early.
- Improving client satisfaction through rapid updates and hyper-personalised customer experience.
