

# No8 by Cheng Han Wu Wins Iron in A' Interior Design Awards

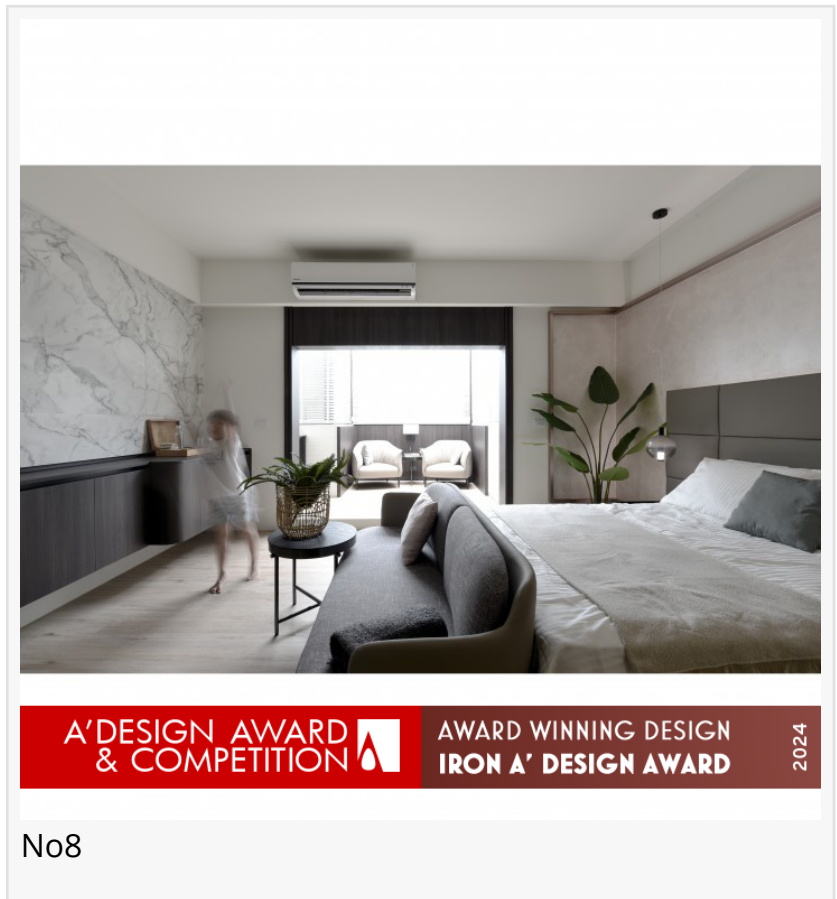

*Cheng Han Wu's Innovative Residential Space Design Recognized for Excellence*

COMO, CO, ITALY, July 16, 2024 /EINPresswire.com/ -- The A' Design Award, one of the world's most prestigious and highly respected [design competitions](#), has announced Cheng Han Wu as a winner in the [Interior](#) Space and Exhibition Design category for the exceptional work titled "No8." This recognition highlights the significance of the A' Interior Design Awards within the interior design industry, positioning it as a prestigious acknowledgment of outstanding design achievements.

The A' Interior Space, Retail and Exhibition Design Award is particularly relevant to industry professionals and potential customers, as it showcases designs that align with current trends, advance industry standards, and provide practical benefits to users. By recognizing innovative and functional designs, the award serves as a benchmark for excellence in the field, inspiring both designers and consumers alike.

No8 stands out for its unique combination and stacking of large color blocks, which create a dynamic and vibrant living space. The design masterfully interprets the relationship between life and time, reflecting the evolution of inner feelings as time passes. Through the strategic use of color and layout, No8 achieves a high-level sense of vitality and movement, transforming the interior into an engaging and inspiring environment.

This prestigious recognition from the A' Interior Design Awards is expected to have a significant impact on Cheng Han Wu's future projects and the direction of the [Inotion](#) brand. The award

serves as a motivation for the design team to continue pushing the boundaries of creativity and innovation, while also inspiring other professionals in the field to strive for excellence. As a result, No8 has the potential to influence industry standards and contribute to the ongoing evolution of interior design.

#### About Cheng Han Wu

Cheng Han Wu is a talented designer from Taiwan, China, known for their rigorous attention to detail and ability to create synergies between materials, furniture, art, and space planning. With a strong focus on both aesthetics and practicality, Cheng Han Wu employs a design approach that solves space problems through architectural knowledge and design thinking, resulting in harmonious and functional living environments.

#### About Inotion

Inotion is a brand that connects space aesthetics with inspiration and creation. The company believes that space is an extended concept of life activities and a reflection of one's life attitude. Through this philosophy, Inotion creates unique and harmonious aesthetics, deriving space values and concepts that resonate with their clients' lifestyles and aspirations.

#### About A' Design Award

The Iron A' Design Award is a prestigious recognition granted to designs that meet the rigorous professional and industrial standards set by the A' Design Awards. Recipients of this award are acknowledged for their practical innovations, creative execution, and contributions to their respective fields. The Iron A' Design Award celebrates designs that demonstrate a solid understanding of design principles, address real-world challenges, and improve quality of life through thoughtful and innovative solutions.

#### About A' Design Award

The A' Interior Space, Retail and Exhibition Design Award is a highly respected international competition that recognizes excellence in interior design. Organized annually since 2008, the award attracts a diverse range of participants from across the globe, including leading interior design agencies, innovative companies, renowned furniture manufacturers, and influential brands. By participating in this prestigious award, entrants have the opportunity to showcase their creativity, gain international recognition, and be acknowledged for their superior design capabilities. The ultimate aim of the A' Design Award is to recognize and promote exceptional products and projects that advance and benefit society, contributing to the creation of a better world through the power of good design.
