

# Simple Chic by Dagmara Berent Wins Iron in A' Landscape Design Awards

*Dagmara Berent's Minimalist Urban Oasis Recognized for Excellence in Landscape Design by Prestigious A' Design Awards*

COMO, CO, ITALY, July 16, 2024 /EINPresswire.com/ -- The A' Design Award, a highly prestigious and well-recognized award in the field of landscape design, has announced [Dagmara Berent's "Simple Chic"](#) as the recipient of the Iron A' Design Award in the Landscape Planning and Garden Design category. This esteemed recognition highlights the exceptional design and innovation demonstrated by Dagmara Berent's urban oasis, which seamlessly aligns with the building's architecture while offering a tranquil escape within the bustling city landscape.

The A' Landscape Planning and Garden Design Award holds significant relevance for the industry and its stakeholders. By recognizing and celebrating innovative designs like "Simple Chic," the award promotes the advancement of landscape design standards and practices. Dagmara Berent's design showcases the potential for creating functional and aesthetically pleasing urban gardens that enhance the quality of life for city dwellers, inspiring both professionals and enthusiasts in the field.

What sets "Simple Chic" apart is its meticulous attention to detail and its ability to transform a compact urban space into a serene haven. The garden's distinct geometric shapes and organized layout create a visually striking extension of the building's living space, blurring the boundaries between indoor and outdoor environments. Through the strategic use of multi-tiered aluminum pots, pergolas, concrete slabs, and a sizable mirror, Dagmara Berent has masterfully maximized

the limited space, creating a sense of expansiveness and tranquility.

The Iron A' Design Award bestowed upon "Simple Chic" serves as a testament to Dagmara Berent's exceptional talent and dedication to pushing the boundaries of landscape design. This recognition not only validates the designer's approach but also inspires her to continue exploring innovative solutions that enhance the harmony between architecture and nature. As Dagmara Berent's work gains international exposure, it has the potential to influence industry trends and motivate other designers to embrace the challenges of creating captivating urban gardens.
