WILMINGTON, DE, USA, July 17, 2024

/EINPresswire.com/ -- [Blooms Trade](#) Inc

(Blooms) is pleased to announce a new referring partnership with Monex USA, a trusted and leading provider of

corporate FX, currency risk hedging services, and international payments. Clients referred by Blooms and onboarded by Monex USA will process their transactions through a co-branded version of Monex USA Online, a web-based FX and payments platform.

"As a leading provider in trade finance, we are thrilled with this collaboration as it marks a significant milestone in our mission to deliver unparalleled financial solutions to our clients. By leveraging Monex USA's expertise in foreign exchange and international payments, we are poised to enhance our service offerings, streamline cross-border transactions, and provide our clients with greater financial flexibility and security. Together, we are setting a new standard in trade finance, empowering businesses to navigate the complexities of global trade with confidence and efficiency. - Francisco Meré, CEO of Blooms.

"We are excited to announce a partnership between Monex USA and Blooms. Through our strategic partnership, clients referred by Blooms through a Monex account will easily process their FX payments via Monex USA's robust services. This strategic partnership will facilitate global trade since payments are a critical piece of the global supply chain. Blooms and Monex USA are perfect examples of strategic embedded solutions with the goal of helping end-users operate efficiently." – Mike Valadakis, VP of Partnerships and Digital Solutions Monex USA
