

# Dexian Hosts Free Webinar on AI Ethics and Efficiency in Talent Acquisition – July 24 on LinkedIn Live

*Dexian webinar will offer strategic considerations for business and talent acquisition leaders as they integrate artificial intelligence into their operations.*

MCLEAN, VA, UNITED STATES, July 17, 2024 /EINPresswire.com/ -- [Dexian](https://www.dexian.com), a leading staffing, IT, and workforce solutions provider, today announced its upcoming webinar titled “Decoding AI: Ethics, Efficiency, and the Candidate Experience.”

This webinar will offer strategic considerations for business leaders, talent acquisition professionals, and workforce solutions developers as they prepare to integrate artificial intelligence (AI) into their operations.

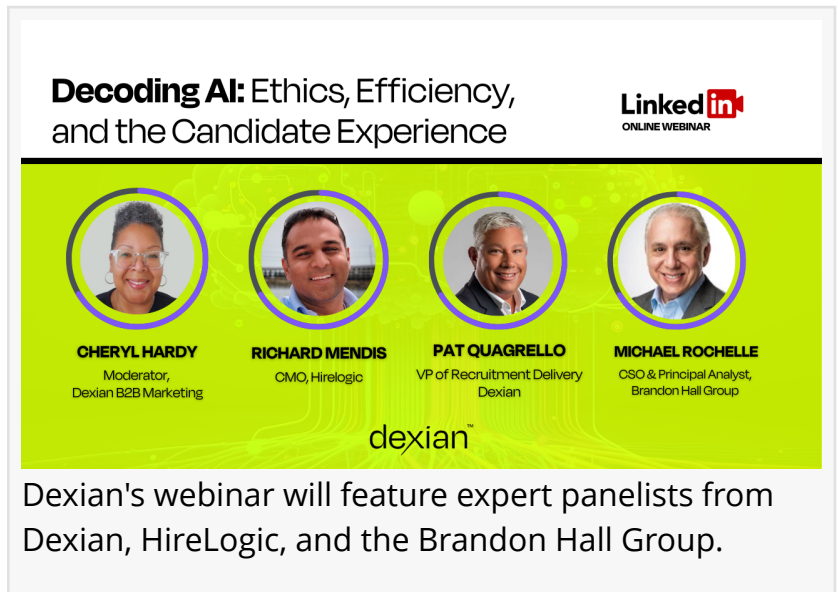

“

Innovation is at the core of what we do, but innovation isn't only about technology. It's about developing the best solutions and outcomes for our clients, consultants, and employees.”

*Maruf Ahmed, Dexian CEO*

avoiding potential pitfalls along the journey.”

dexian™

Dexian's webinar will feature expert panelists from Dexian, HireLogic, and the Brandon Hall Group.

Additionally, attendees will learn about the rapidly changing regulations and best practices for using AI in candidate and recruitment processes. The webinar will take place on July 24 at 1:00 p.m. ET on LinkedIn Live, and there is no cost to attend.

“AI, its potential, and the challenges of implementation are all topics of much discussion within our industry and businesses worldwide,” said Maruf Ahmed, Dexian CEO. “This webinar is a great opportunity for business and hiring leaders to learn about the challenges associated with integrating AI so that they can achieve the benefits while

- Discover the value of cutting-edge AI technology in improving recruiting processes and candidate experience.
- Learn strategies to enhance talent acquisition and recruitment.
- Understand the regulatory framework and ethical considerations, including bias mitigation.

The webinar will feature a real-world case study of successful AI-driven innovation at Dexian. Ahmed explained his thorough and thoughtful approach to these initiatives: "Innovation is at the core of what we do, but we must remember that innovation isn't only about technology. It's about developing the best solutions and outcomes for our clients, consultants, and employees," he said. "We utilize all the tools at our disposal to adapt and continuously improve the way things are done. Sometimes this involves integrating new technology, but our goal, our purpose is to deliver exceptional experiences and results. That is what our clients and consultants expect from Dexian and that is what they deserve."

The webinar will feature expert panelists from Dexian, HireLogic, and the Brandon Hall Group:

Pat Quagrello, Vice President of Recruiting Operations, Dexian:

- Quagrello brings over 20 years of experience at Dexian, focusing on delivering exceptional talent and ensuring remarkable consultant experiences. His professional approach emphasizes interpersonal relationships and effective communication, aiming to maximize delivery efficiency for Dexian clients.

Rich Mendis, Chief Marketing Officer, HireLogic:
