coffee-making by offering a product that embodies the rich, complex flavors for which Colombian coffee is renowned.

The Colombian Coffee from Tunungua Farms is grown on their high-altitude farms in the secluded Andes Mountains of the Western Boyaca and Santander regions of Colombia. There the lush volcanic soil and ideal climate conditions contribute to the coffee's distinctive taste profile. Coffee enthusiasts can look forward to an exquisite flavor experience with notes of dried orange, wild berries, chocolate sweetness, vibrant low acidity, and a smooth, balanced finish.
