

Hotelhub Selects Kognics AI-First LMS to drive Employee Training, Certification and Effectiveness

Hotelhub LLP has selected Kognics' AI-First Learning Management System (LMS) to power its team members Training, Compliance, and Certification goals.

BERKELEY, CALIFORNIA, UNITED STATES, July 17, 2024

/EINPresswire.com/ -- [Kognics](#) announced that [Hotelhub](#) LLP has selected Kognics' AI-First Learning Management System ([LMS](#)) to power its team member Training, Compliance, and Certification goals. HotelHub provides innovative and tailored hotel booking technology to empower TMCs to increase their profitability and achieve greater efficiency while retaining strategic autonomy.

As an industry leader in Hotel Booking Technology, Hotelhub LLP has always prioritized continuous development and education of its workforce to maintain excellence and stay ahead of the competition.

Choosing Kognics LMS has been a game-changer for our organization."

Alisha Verlekar, Training Facilitator, Hotelhub LLP

Kognics LMS is renowned for its Artificial Intelligence Engine and rich User Experience, which empower organizations to create, manage, and deliver training content seamlessly. With its customizable features and analytics capabilities, Kognics LMS enables Hotelhub LLP to

tailor training programs to meet specific departmental requirements and employee skill development needs, resulting in a more personalized and effective training experience.

Key features of the Kognics LMS platform include:

Advanced AI Capabilities: With Kognics LMS, creating customized training becomes more accessible than ever with our embedded Generative AI Capabilities

Advanced Content Management: Hotelhub LLP can easily organize, update, and deliver various training materials, including videos, documents, quizzes, and interactive courses.

Scalability: Kognics LMS is designed to grow with Hotelhub LLP's evolving needs, making it a future-proof investment.

Data Analytics: The platform provides in-depth insights into employee performance and engagement, allowing Hotelhub LLP to fine-tune its training strategies for optimal results.

Mobile Compatibility: The mobile-responsive design allows employees to access training materials anytime, anywhere, enhancing the flexibility of learning.

Integration: Kognics LMS seamlessly integrates with Hotelhub LLP's existing systems and software, streamlining administrative processes.

"We are honored to be chosen by Hotelhub LLP as their trusted partner in enhancing their training initiatives. Our team is committed to delivering the best LMS experience, and we look forward to working closely with Hotelhub LLP to achieve their training and development goals."
Siddhartha Kulshrestha, Co-Founder of Kognics.

The partnership is poised to transform Hotelhub LLP's training practices, ultimately improving employee performance and organizational success.

"Choosing Kognics LMS has been a game-changer for our organization. The robust reporting feature provides insightful data, while the skill matrix helps us track and develop employee competencies effectively. The live quiz function keeps our team engaged and motivated, and the feed tab fosters seamless communication. We also appreciate the flexibility in assignment formats and the valuable feedback feature, which enhances our learning experience. Kognics LMS has truly streamlined our training process" - Alisha Verlekar, Training Facilitator, Hotelhub LLP

About Hotelhub LLP:

HotelHub provides innovative and tailored hotel booking technology to empower TMCs to increase their profitability and achieve greater efficiency while retaining strategic autonomy.

About Kognics:

Kognics.ai delivers SAAS (Software As A Service) to power the Learning Management Systems (LMS) and customer Relationship Management(CRM) needs of Enterprises and Governments.
