“

APG has committed to leading the way in packaging innovation and sustainability”

*Hannah Palese, Director of Communication at APG*

APG has earned a reputation as a trusted partner for some of the most prestigious names in the beauty and personal care industry, including P&G, Unilever, Johnson & Johnson, Estée Lauder, Colgate, Sephora, Lush, Walgreens, and Victoria's Secret. These collaborations underscore APG's expertise and ability to deliver top-tier packaging solutions.

Ryan Huang, Director of Marketing at APG, emphasized the company's capacity for handling diverse projects: "With an annual production capacity of over

600 million pieces and a low minimum order quantity (MOQ) of 10,000 pieces, APG is equipped to meet the needs of both large and small clients. Our presence at Cosmoprof North America provides an excellent opportunity to showcase our innovative capabilities."

Founded in 2019 by Helga Arminak, APG is a women-owned business committed to sustainability and eco-friendly practices. The company's innovative designs and dedication to reducing environmental impact have set it apart in the packaging industry.

Visitors to APG's booth will have the opportunity to explore a range of cutting-edge packaging solutions tailored to the latest market trends. APG's commitment to sustainability and innovation is evident in every product they offer.
