**CERTIFIED**  
**NARI** PROFESSIONAL  
**ON STAFF**

professionals in the industry, showcasing his expertise that clients can confidently rely on for their remodeling projects.

Eric is thrilled about this achievement and shared, "Earning the CRPM certification isn't just a personal milestone—it's a commitment to my clients that their vision will be realized with the utmost quality and professionalism."

About [Peak Construction](#): Peak Construction, an award-winning general contractor, has served the Hudson Valley, NY, community since 1994, providing top-quality home remodeling services, [luxury home](#) builders, and commercial projects that transform living spaces into dream homes. With a team of highly skilled professionals, Peak Construction is dedicated to delivering excellence in every project, from initial design to final touches. Peak Construction's commitment to customer satisfaction and quality craftsmanship has established it as a trusted name in the home remodeling industry. Find out more and visit [www.peakconstruction.biz](http://www.peakconstruction.biz).

About NARI: The National Association of the Remodeling Industry, or NARI, provides residential remodelers with tools that enable them to perform at a higher level. NARI members adhere to core values and the Code of Ethics, which is a key differentiator between NARI member companies and non-members. NARI members' annual sales are nearly three times the industry average because of the knowledge, network, and support that they receive. In addition, NARI connects homeowners with its professional members, so consumers have a positive remodeling experience with a professional, qualified remodeler.
