“

We are excited to launch these new models and colors in golf hats. Golfers, courses and businesses in the golfing industry really need more options in creating custom hats.”

*Kevin Muhlestein*

all golfers wearing hats on the course, Zapped Headwear has really focused on enabling golfers and golf related businesses to customize premium performance hats to wear on the course. Zapped recently launched a new model, [the Patriot](#). The Patriot is a vintage classic snapback that has been given a modern twist with its minimalist design and premium materials.

The Patriot, like all Zapped hats, is meant to be customized with the customer’s own unique design of business logo. This hat may be customized with an engraved or full color

printed leather patch, rubber patch, or embroidery.

Zapped has also really stepped up their game in offering some of their existing rope brim hats in new color options. The [Blackhawk R+ custom hat](#) is now available in 17 different colorways. Hats may be customized directly on their website. An instant design mockup is created, allowing customers to see exactly what the finished product will look like.
