

Louisiana Mesothelioma Victims Center Strongly Recommends the Gori Law Firm for a Navy Veteran with Mesothelioma or Lung Cancer Anywhere in Louisiana-Expect Superior Financial Compensation Results

NEW ORLEANS , LOUISIANA , USA, July 25, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- The Louisiana Mesothelioma Victims Center has endorsed, and they recommend the Gori Law Firm for a person who has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Louisiana-especially if the person is a Veteran of the US Navy. Navy Veterans are still the largest work group of individuals who will develop mesothelioma each year, and there are still thousands each year who will be diagnosed with asbestos exposure lung cancer. Aside from compensation for Navy Veterans who have mesothelioma or asbestos exposure lung cancer, the Gori Law Firm also assists their clients with VA Benefits for these illnesses as they are always happy to discuss at 866-532-2106.

The group says, "A Navy Veteran with mesothelioma in Louisiana probably had their asbestos exposure on a ship or submarine while maintaining the engine room-propulsion center, they were a repair person on the ship-or submarine or they were part of a maintenance crew. The other possibility is they were exposed to asbestos at a shipyard while their ship or submarine was undergoing repairs at a shipyard.

"If your husband or dad is a Navy Veteran with just diagnosed mesothelioma or asbestos exposure lung cancer anywhere in Louisiana, please call the Gori Law Firm at 866-532-2106. The Gori Law Firm has an office in New Orleans, and they are one of the nation's top law firms for people who have developed mesothelioma or asbestos exposure lung cancer."
