

# intelliRANK Uncovers Significant Unclaimed Reimbursements for Amazon FBA Sellers

*New intelliRANK article reveals Amazon sellers could recover thousands in unclaimed reimbursements. Learn how to reclaim hidden funds and boost revenue.*

USA, July 20, 2024 /EINPresswire.com/ -- intelliRANK, a leading marketing agency in the Amazon FBA/FBM space, has just published an eye-opening article detailing how Amazon sellers may be missing out on thousands of dollars in unclaimed reimbursements. The article, available on the intelliRANK website, sheds light on the often-overlooked refunds that can significantly impact an Amazon seller's bottom line.

Life's too short to hang out with people who aren't resourceful."

## Reclaiming Hidden Funds: A Case Study

The newly published article features a compelling case study showcasing a Sports & Outdoors seller with a Gross Merchandise Value (GMV) of nearly \$14 million. This seller was astounded to find over \$160,000 in unclaimed reimbursements. intelliRANK's expert team managed to recover \$157,511 within just 30 days, ultimately reaching a total reimbursement of \$164,876 in under three months. These funds came from various overlooked categories, including:

- Missing Inbound Shipments & Lost/Damaged Inventory: \$135,600
- Customer Returns: \$657
- Found Inventory: \$28,619

"99% of Amazon sellers have unclaimed taxes. You may be one of them, and we can help you get back what is yours today," the article states, emphasizing the widespread nature of this issue.

## Why Choose intelliRANK for [FBA Reimbursements](#)?

The article outlines several key reasons Amazon sellers should consider intelliRANK for their reimbursement needs:

1. Meticulous Attention to Detail: intelliRANK ensures no reimbursement is missed.
2. Ongoing Monitoring: Continuous oversight results in higher recovery success rates.
3. Transparency: Clear, accessible tracking of all recovered funds.

4. Commitment to Value: Dedicated to ensuring sellers receive every dollar owed to them.
5. Hidden Taxes and Fees Amazon May Be Stealing from You

The article also highlights various hidden fees and taxes that Amazon sellers are often unaware of. These include:

- FBA Fee Overages: Incorrect weight and dimension calculations leading to higher fees.
- Lost and Damaged Units: Recovering funds for inventory damaged or lost in transit.
- Customer Returns: Addressing items not returned, returned outside the window, or different items returned.
- Chargeback Errors: Reclaiming incorrect chargebacks issued without refunds.
- Promotional Credits and Discounts: Ensuring promotional credits and discounts are correctly applied.
- Preventing Missed Reimbursements: Practical Tips

To help sellers prevent missed reimbursements, the article provides several actionable strategies:

1. Monitor Promotions and Discounts: Ensure correct application in Amazon's system.
2. Regularly Check Reimbursements: Review seller accounts for discrepancies.
3. Audit Transactions: Periodically audit transactions to identify issues.
4. Communicate with Amazon Support: Report discrepancies promptly.
5. Utilize Automated Tools: Streamline reimbursement management with automated tools.
