Teammate, Michael van der Mark (NED), returned to the podium battle in the second main race. After an excellent start he held third place for a long time and set the fastest race lap. In the second half of the race he dropped back slightly and finished fifth. In the Superpole qualification the Dutchman had to settle for 16th place after a crash. From there he moved up to ninth in the first main race. In the Superpole Race he finished eighth, but was classified ninth due to a penalty.

The WorldSBK now moves on to Portimão in Portugal.
