

Ruston Paving Company Awarded Spot in The Top 50 Paving Contractors in The United States by Pavement Maintenance & Reconstruction Magazine

Durham, North Carolina – Ruston Paving Co., Inc, a leading asphalt paving contractor that provides a comprehensive range of pavement maintenance solutions, is thrilled to announce its recent recognition as a recipient of the 2024 Top Contractor Award from Pavement Maintenance & Reconstruction Magazine.

As a 2024 Top Contractor, Ruston Paving was chosen by the Pavement Maintenance & Reconstruction editorial staff for meeting a high set of standards. Applicants were required to submit a third-party verification of their sales total in 2023, as well as include a breakdown of the work that generated those sales in order to qualify for consideration. This honor, bestowed annually by one of the industry's most respected publications, highlights Ruston Paving's unwavering commitment to excellence, innovation, and client satisfaction in the field of pavement maintenance and reconstruction.

Top Contractors were selected in four industry segments: paving, seal coating, striping, and pavement repair. Ruston Paving Company's highly acclaimed full range of innovative construction and asphalt paving services particularly stood out for the contractor's steadfast commitment to delivering customers a quality product in a timely fashion at competitive prices. As a recipient of this prestigious award, Ruston Paving joins an exclusive group of industry leaders who have demonstrated outstanding performance, integrity, and innovation in pavement maintenance and reconstruction. "The Top Contractor lists are a way to recognize and acknowledge the incredible hard work that everyone in this industry does. From the lute to the paver, the sales, and the project managers, everyone works together to make it happen," says Brandon Noel, Editor of Pavement Maintenance & Reconstruction Magazine. "For twelve years, the companies who appear on these lists represent some of the very best across the country. We are privileged to serve the men and women of this great industry, by continuing to recognize their time, labor, and achievement."

With over 80 years of experience in providing complete and personalized service to its 7 divisions along the East Coast, including Syracuse, NY; Rochester, NY; Watertown, NY; Northern Virginia; Richmond, Virginia; Raleigh/Durham, North Carolina; and Greensboro/Winston-Salem, North Carolina, Ruston Paving has become a trusted source for asphalt paving, from minor repairs to major rehabilitation and new construction.

The top paving company's dedication to prioritizing excellent customer service by helping attain significant savings and more long-lasting results extends to suggesting and utilizing cutting-edge

techniques such as pavement reclamation and soil stabilization, as well as assisting clients in the early stages of planning and design by offering the ability to survey existing conditions, develop design concepts, write specifications, produce site drawings and prepare budgets.

Ruston Paving's extensive skills and generations of experience offer both industrial and commercial clients a selection of asphalt paving services, including asphalt milling, full-depth reclamation, and parking lot repair, that not only look stunning and are durable but also ensure the highest-quality performance.

Ruston Paving encourages business and industrial owners seeking a trusted contractor or its pavement repair and maintenance services across its variety of service areas to fill out the contact form via its website today for a quote.

Established in 1943, Ruston Paving is a commercial and industrial asphalt paving and site work contractor that provides both new construction and repair of asphalt pavement surfaces, including parking lots and roadways. With state-of-the-art equipment, personalized service, and a skilled team, Ruston Paving serves its communities with exceptional asphalt paving projects.
