

# Tarzana Treatment Centers Co-Sponsors 2nd Joyful Living Resource Fair and Back to School Event

*Organized by the Community Coalition Network, this joyous event for families is at the Boys & Girls Club of San Fernando Valley on July 27 in Pacoima*

TARZANA, CALIFORNIA, USA, July 22, 2024 /EINPresswire.com/ -- On July 27, 2024, from 10:00 am to 2:00 pm, the 2nd Joyful Living Resource Fair & Back to School Event occurs at the [Boy & Girls Club of San Fernando Valley](#). As a part of the Community Coalition Network, a group of community-based organizations focused on providing resources for free community improvement, [Tarzana Treatment Centers](#) (TTC) is proud to co-sponsor this event for the second year.

Moreover, as a provider of [Youth and Family Services](#) for substance use disorders (SUD) and mental health (MH) challenges, TTC helps to raise awareness about treatment options for youth and their families. Such events often open the door to accessing invaluable treatment options. Indeed, with a flood of conflicting social media information, face-to-face human engagement is more critical than ever.

As Mark Winkler, Program Operations Supervisor at TTC and a Principal Event Organizer, expresses, "Tarzana Treatment Centers relishes the opportunity to take an active role in live events that engage with the greater community. Such engagement allows us to educate both parents and kids at risk. In the dangerous age of fentanyl, when overdoses are common and children are dying, such opportunities are invaluable. It gives us a chance to save lives."

The Community Coalition Network partners are proud to have the event at the Boy & Girls Club
